

CEM KAZIM GENEL

IOS DEVELOPER

EXPERIENCES

SENIOR IOS DEVELOPER (REMOTE)

Teknasyon | Istanbul, 01/2024 - Present

- Built chat features with **Realm**.
- Applied **MVVM** and contributed to the **MVVM-C** transition.
- Optimized **CI/CD** with **Appcircle** and **Bitrise**.
- Created UI components using **SnapKit**.
- Handled real-time messaging with **SocketIO**.
- Implemented media sharing (images, videos) in chat.
- Designed components based on modular architecture.
- Optimized live streaming performance.
- Integrated **Swinject** for modularity.

IOS DEVELOPER (REMOTE)

Arteria Ventures | Istanbul, 05/2022 - 01/2024

- Led the **UIKit** to **SwiftUI** migration for the Binnaz iOS app.
- Rebuilt the network layer, replacing **Alamofire** with **Combine + URLSession**.
- Integrated **Unit/UI Tests** with automation for high software quality.
- Developed real-time chat with **Socket.IO** and video calls using **OpenTok**.

IOS DEVELOPER (REMOTE)

BLUTV | Istanbul, 08/2021 - 05/2022

- Developed async features with **RxSwift** and **MVVM**.
- Developed and maintained **CI/CD** with **Fastlane**.
- Worked on simultaneous movie streaming services.

IOS DEVELOPER (REMOTE)

AKBANK & Adesso Turkey | Istanbul, 09/2019 - 08/2021

- Contributed to the **MVVM** to **VIPER** transition for improved architecture.
- Developed reusable, maintainable code and product-driven features.
- Wrote unit tests and comprehensive documentation.
- Collaborated with multiple teams, providing software support.
- Served as an iOS consultant for Akbank's Tosla project at Adesso.

IOS DEVELOPMENT INTERN

Adesso Turkey | Istanbul, 07/2019 - 09/2019

EDUCATION

NAMIK KEMAL UNIVERSITY | TEKIRDAG, 2015 - 2021

COMPUTER ENGINEERING

ABOUT

I'm a passionate iOS Developer with a focus on real-time communication, modular architecture, and performance optimization. I enjoy building scalable Swift applications with clean, maintainable code and solving complex challenges. Collaborating with teams to create high-quality mobile experiences excites me, and I'm always eager to learn, share knowledge, and innovate.
